

Curriculum Vitae

Mr. David Howlett

Date of birth: 18 January 1958

Nationality: British

Educational record:

Award	Subject	Date	Institution
MA	Chemistry with Supplementary Mineralogy	1980	University of Oxford
MSc	Soil Survey and Pedology	1983	Univeristy of Reading

Membership of professional organisations:

Date	Name of organisation
On-going	Association for Better Land Husbandry
"	British Soil Science Society
"	International Soil Science Society
"	ODI Agricultural Research and Extension Network
"	ODI Rural Development Forestry Network

Current post:

Start date	Post title
1996	Lecturer

Full-time employment history:

Dates	Post title
1993 - 1996	Research Network Co-ordinator, International Board for Soil Research and Management (IBSRAM) Fiji
1991 - 1993	Research Associate, International Institute for Environment and Development (IIED).
1989 - 1990	Physical Planner, Australian Agricultural Consulting Management Co (AACM) Indonesia.
1985 - 1989	Principal Land Use Officer, Department of Agriculture and Livestock, Papua New Guinea.
1984 - 1985	Research Assistant, Desert Research Institute, Ben Gurion University of the Negev, Israel.
1984	Clerical Officer, Hogg Robinson, Leicester
1983	Graduate researcher, Research Project, Northern Kenya.
1980 - 1982	Teacher, Voluntary Service Overseas, Kenya

University and major departmental administrative responsibilities:

Dates	
Degree Co-ordinator 1997 to present	MSc in Agricultural Development and Rural Finance – 1 year
Course Director 2001	Young Indian Environmental Managers Programme (Chevening) - 12 weeks
Course Director 2001	Niger Delta Environmental Training Programme (FCO) – 8 weeks
Course Director 2000	Young Indian Environmental Managers Programme (Chevening) - 12 weeks
Course Director 1999	Young Indian Environmental Managers Programme (Chevening) - 12 weeks
Course Director 1999	Project Planning and Management for Sustainable Natural Resource Projects - 12 weeks
Course Deputy Director 1998	Senior Environmental Management Course on Environmental policy, environmental and strategic impact assessment, environmental audit and pollution control - 2 weeks
Course Director 1997	Environmental policy, planning and management. - 12 weeks

Research activities:

Project Coordinator 1998 to 2001	The effects of policy and institutional environment on natural resource management and investment by farmers and rural households in East and Southern Africa funded by DFID total grant £308,000
Project Coordinator 2000 to 2002	Goodbye to Projects? - The Institutional Impacts of a Livelihood Approach on Projects and Project Cycle Management funded by DFID total grant £238,000

Consultancy and advisory assignments:

2001	International Institute for Environment and Development – Review of impact assessment work and recommendations for future development.
2000	British Council/DFID – Training in natural resource and environmental management in Tanzania. University of Oxford – Training in environmental assessment for wildlife managers in Tanzania.
1999	International Institute for Environment and Development – Preparation of series of Handbooks on environmental impact assessment in Tanzania.
1998	Tanzania – Training in integrating environmental impact assessment into project planning for British Council/DFID.

- 1997 - 1999 European Union (Evaluation Dept. DGVIII) – Technical advice on analysis and evaluation of development projects focusing on financial and economic analysis. This included technical advice and consultancy to DGVIII on the following projects:
- Papua New Guinea – Human Resources Development Programme Phase I and II
 - The Botswana Wildlife Conservation and Utilization Programme: Phase II (6 AACP – Bt049)
 - Project to Support the Establishment of a Zambian Forestry Authority
 - The SADC Land and Water Management Training and Applied Research Programme (ACP-Rpr627)
 - The SADC Regional Food Security Training Programme Phase II (Reg/06420/001)
 - The Eco-Forest Environmental Programme (EFEP-PNG) Papua New Guinea
- Commissioned by DGVIII to write a case study to illustrate the financial and economic analysis of an education sector project for training of Commission staff.
- 1997 Tanzania – Development of Handbook on Agricultural project planning with Institute of Development Management, funded by ODA.
