Video work by Chen Hangfeng / 陈航峰的录像作品

## Santa's Little Helpers / 圣诞老人的小助手们

The video is shot in a small village in Zhejiang Province, (China) where 50% of the world's Christmas ornaments are made by hand. The family workshops were doing the ornaments all year long and the landscape had been littered with garbage... (Originally, the video has been screened inside a small wooden box wrapped like a Christmas present, people only can see the secret from a small peep hole on the box)

这部录像拍摄于一个浙江省的小村子，全世界50%的圣诞装饰用品都来自于此，手工作坊里的工人一年到头都在手工加工这些圣诞饰品，同时这里的环境变得越来越差.....(最初这件作品是以录像装置的形式，在一个如圣诞礼盒般的装置内播放，观众只能从圣诞礼盒的小孔中观看)
