

Activity: Taster Day	
Title	Introduction to Design and Technology
Date	Wednesday 12 May 2010
Time	1:00pm – 3:30pm
Venue	Chesham Building
Level	Years 12 and 13
Numbers	30
Content	You are invited to enter the exciting world of the Product Designer in EDT's state-of-the-art CAD design suite. You will be taught how to use cutting-edge software which can transform your design creations into a 3D computer-generated model. The IDEAS software is used by professional designers worldwide and you will be able to find out whether a career as a CAD designer is the right career path for you. Also included in the programme is a tour of the automobile workshops, home to the EDT student kit cars.

Activity: Taster Day	
Title	Website Design
