AG

Absent Good Cause (Accepted Before Assessment). There was a valid reason presented for missing this assessment in person.

AN

Absent With No Good Cause - Supplementary. There was no valid reason presented for missing this assessment in person and reassessment is required.

AT

Met Attendance Requirement.

CP

Compens'd Pass (35-39.9). The student's overall performance or personal circumstances justified awarding a marginal pass instead of a marginal fail.

CS

Condoned (Supplementary at Same Attempt). The student's overall performance or personal circumstances justified permitting an uncapped reassessment.

F

Fail. The student may have more attempts to pass this module or assessment.

FF

Fail At Any Attempt. The student has exhausted their permitted attempts to pass this module.

Current students and staff can see an explanation of decisions on results letters on the University's **intranet page for Course Assessment Board decisions**.

IN
Subject To Investigation Outcome. The result is being investigated under a formal process and cannot be released yet. This does not imply that a breach of regulations has occurred.

LG
Late Sub'n Good Cause (Accepted Before Assessment). There was a valid reason for submitting this assessment after the deadline.

ND
Submission not yet due. This assessment was not attempted because the module outcome has already been determined by the result of another assessment.

NG
Non-Sub'n Good Cause (Accepted Before Assessment). There was a valid reason presented for missing this assessment.

NN
Non-Submission With No Good Cause - Supplementary. There was no valid reason presented for missing this assessment and reassessment is required.

NT
Failed To Meet Attendance Requirement. The student has failed because of attendance.

P
Pass.

PA
Pass Approved (Breaches). <40% & Treated As Passed. Following an investigation, the student has been awarded a pass.

PQ
Academic Pass But Failed Professional Requirements. On an externally accredited or approved programme with additional standards, the student has not met the additional standards.

PS
Provisional Supplementary Assessment. The outcome is unconfirmed but the overall performance suggests that the student could be permitted a supplementary attempt at reassessment.

QF
Fail Component For Which Pass Is Required. On an externally accredited or approved programme, the student has not met all of the minimum requirements.

R
Repeat Module at 1st Attempt. The student is eligible to take uncapped reassessment or restudy the module or assessment under the assessment, continuation and award regulations.

Current students and staff can see an explanation of decisions on results letters on the University's **intranet page for Course Assessment Board decisions**.

RA
Repeat Module With Attendance at Next Attempt. The student is eligible for reassessment but should restudy because the module/assessment requires attendance.

RP
Resit at Same Attempt for Progression. The student should restudy the assessment or module under foundation-level specific assessment, continuation and award regulations.

RS
Repeat Module With Attendance at Same Attempt. The student should restudy under the assessment, continuation and award regulations.

S
Supplementary Assessment Permitted/Required. The student should take reassessment as a next attempt under the assessment, continuation and award regulations.

SS
Suspended Studies. The student suspended or was suspended from the University before completing the module or assessment.

SU
Module Substituted. Another module was studied instead of this one under the assessment, continuation and award regulations.

U
Unassessed (Attendance Only). The student completed the requirements of an unassessed module or voluntary experience.

UA
Absent With No Good Cause (L7 Mod UG Student). There was no valid reason presented for missing this Master's level assessment in person.

UC
Condoned Supp Permitted In M-Level Module (L7 Mod UG Student). The student's overall performance or personal circumstances justified permitting a third attempt at Master's level reassessment.

UF
Fail M-Level Module 3rd Attempt (L7 Mod UG Student). The student has exhausted their permitted attempts to pass this Master's level module.

Current students and staff can see an explanation of decisions on results letters on the University's **intranet page for Course Assessment Board decisions**.

UN

Non-Submission No Good Cause (L7 Mod UG Student). There was no valid reason presented for missing this Master's level assessment and a final attempt at reassessment is required.

UP

Pass M-Level Module 3rd Attempt (L7 Mod UG Student). Following reassessment, the student has passed this Master's level module or assessment.

UR

Repeat M-Level Module With Attend Same Att (L7 Mod UG Student). The student should have a final opportunity to restudy the Master's level module with attendance.

US

Supp Permitted In M-Level Module (L7 Mod UG Student). The student should take reassessment as a final attempt of this Master's level module or assessment.

W

Withdrawn. The student withdrew or was withdrawn from the University before completing the module or assessment.

A

Absent. The validity of the cause of the absence has not been determined.

AD

Grade A. The Master's student received a distinction grade at the School of Management,

B

Grade B. The Master's student received a merit grade at the School of Management.

C

Grade C. The Master's student received a passing grade at the School of Management.

CO

Module Result Condoned Permitting Progression. Due to suspension of studies for public health reasons related to COVID-19, this student was progressed to the next stage of the course without credit awarded.

D

Grade D undetermined. The Master's student received a marginal grade at the School of Management and pass/fail has not been confirmed.

DF

Grade D (fail). Following review, the Master's student received a marginal fail grade at the School of Management.

Module and Assessment Codes (out of use) PAGE 6

These codes have been issued in the past but are not issued for current students.

DP
Grade D (pass). Following review, the Master's student received a marginal pass grade at the School of Management.

E
Excluded. This is a non-academic module or assessment that does not contribute to the overall transcript result.

EF
Grade E. The Master's student has received a failing grade at the School of Management.

F1
Module failed at attempt 1. The student has failed this module and is not permitted further attempts towards the Honours award.

F3
Module failed at attempt 3. The student has failed this module and should transfer to the Ordinary award route for their final attempt.

FH
Health Studies module failed at attempt 3. The student has failed this module and is not permitted a fourth attempt.

FL
Fail - Law modules. The student has marginally failed the module and is not eligible for a compensated or condoned pass.

FLAW
Foundations of Legal Knowledge module failed. The student has failed this module must take reassessment or restudy to remain on the qualifying law degree route.

FM
Fail UG-level module at UG Master's level. The student has failed a Level 6 module while on Level 7 regulations.

L
Late submission. The validity of the cause of late submission of assessment has not been determined.

LA
Late submission with good cause after. There was a valid reason, exceptionally accepted after the fact, for submitting this assessment after the deadline.

LN
Late submission with no good cause. There was not a valid reason for submitting this assessment after the deadline and reassessment is required.

MU
Mark unavailable. The mark for this assessment or module has not been released or has not been provided.

Module and Assessment Codes (out of use) PAGE 7

These codes have been issued in the past but are not issued for current students.

N
Non-submission. The validity of the cause of missing this assessment has not been determined.

NA
Non sub'n with good cause after. There was a valid reason presented, exceptionally accepted after the fact, for missing this assessment.

NC
Not complete (clinical requirement). A pass or fail for this assessment must be made before the overall module result can be determined.

PD
Pass module with distinction. A special result of "pass with distinction" has been awarded to the student completing this module.

PM
Pass UG-level module at UG master's level. The student has passed a Level 6 module while on Level 7 regulations.

PR
Provisional result at attempt 2. The student has an unconfirmed marginal result following reassessment or restudy.

RM
Provisional UG/UGM result at attempt 2. The student has an unconfirmed marginal result in a Level 6 module while at Level 7 following reassessment or restudy.

SE
EDT Fdn Yr: Pass, supp for Enhanced Pass. The student has passed under foundation-level specific assessment, continuation and award regulations but may take uncapped reassessment to meet the requirements of their preferred progression route.

SM
Supp asst permitted UG/UGM. The student should take reassessment of the Level 6 module as a next attempt while on Level 7 regulations.

SR
REFERRED. The student should take reassessment as a next attempt under the assessment, continuation and award regulations. They may progress to the next stage with trailing credit if they require restudy or late reassessment.

UV
Provisional UG/UGM result, M-level. The student has an unconfirmed marginal result in a Level 7 module and may be eligible for supplementary assessment.

VM
Provisional UG/UGM result, UG-level. The student has an unconfirmed marginal result in a Level 6 module while on Level 7 regulations and may be eligible for supplementary assessment.
