POSITIONS OF RESPONSIBILITY

Career Ambassador (Academic Year 2019/2020)

- Actively promote events and services of the Career and Employability Services to my fellow students.
- Involved in the organisation and delivery of employability and careers activities such as career fairs and employability workshops, and helping to gather feedback from peers on activities held.
- Encouraging and motivating peers to make use of the services provided by Careers.
- Networking with and supporting/helping employers during various recruitment fairs held at the university.

Class Representative (Academic Year 2018/2019)

- Member of the Staff Students Liaison Committee (SSLC) – responsible for liaising with staff and students to resolve any issues/problems with regard to students' engagement and experience within the department.
- Ensuring positive student experience by interacting effectively with students, staff and the Students' Union.

President of the Football Club at University (Academic Year 2018/2019)

- Leading and motivating the team during weekly practices and inter-varsity matches.

ACTIVITIES AND INTERESTS

- Extremely interested in all things technology and computers from the components themselves to the software. Particularly enjoy creating digital media such as graphics, videos and websites.
- Avid fan of football and Liverpool Football Club. Play regularly both with friends and with strangers, evidence that I am able to quickly build rapport with people.
- Passion for football led me to complete an Extended Project Qualification on the finances within football in my spare time. The title of my EPQ was 'Why do the big clubs remain big and the small clubs remain small?'
- Very conscious of health and fitness as I was overweight until my late teenage years. For the past 2 years, I have been strict with my diet and fitness endeavours, which shows that I am able to achieve any goal that I set myself.
