*On successful completion of this module, students will be able to...*

1. **LO 1.1** demonstrate an understanding of the nature and relevance of prior learning; LO 1.2 understand and apply the relevant of key skills in supporting academic study; LO 2.3 apply the theories and ideas underpinning self-management and study techniques.

2. **LO 2.1** identify personal learning needs and areas for further development. 
   Investigate potential career opportunities
   LO 2.2 use your personal/professional development plan to improve key skills; LO 2.3 produce an appropriate Personal Development targets Plan with agreed

3. **LO 3.1** develop self-management and study skills appropriate to your own needs and the requirements of your course of study and
   LO 3.2 apply acquired skills to determine future learning needs.
   LO 3.3 produce a provisional development portfolio

**Learning, Teaching and Assessment Strategy**

Formal taught sessions will be supported by on-line resources and specific support from the sponsoring organisation as appropriate. The majority of the learning will take place through Work-based learning supported by a tutor and a workplace mentor, group tutorials, individual tutorials, interactive VLE, negotiated and independent study.

Support in the workplace and academic guidance, mentoring and an on-line discussion group will contribute to independent experiential learning in the workplace. From this a workplace based project will be developed.

During the first formal learning session, you will be introduced to the module and this will be followed up by tutorials including on-line tutorials and group discussions via Blackboard. The tutorial hours below also include the on-line tutorials.

**Mode of Assessment**
