Learning, Teaching and Assessment Strategy

The focus is on the application of knowledge and active learning during in class time in workshop style sessions. You will acquire knowledge independently through guided reading and an initial and some consolidation/mini lectures (LO1,LO3). The workshops will incorporate both formative and summative assessment, group presentations, discussions and feedback. You will be assessed both individually and in teams on your knowledge, application, presentation skills and contribution by group presentation and facilitation of aspects of the workshop sessions (LO1,LO2,LO3,LO5,LO6,LO7 & LO8). There will also be an end of module assignment which will assess your individual knowledge, application and written communication skills (LO1, LO2, LO3, LO4, LO6 & LO8). Learning will be supported via the virtual learning environment (VLE) and sustainable development aspects of social and economic justice and cultural diversity will be incorporated into this module within the confines of the subject area.
