Module Title	International Water Resources Law
Module Code	LAW7034-B
Academic Year	2021/2
Credits	20
School	School of Law
FHEQ Level	FHEQ Level 7

Contact Hours	
Type	Hours
Seminars	24
Directed Study	176

Availability	
Occurrence	Location / Period
BDA	University of Bradford / Semester 1

Module Aims
The aim of this module is to provide you with a critical understanding of the principles and regulation governing the use, sharing and protection of transboundary freshwater resources. The module will draw upon case studies and experiences in specific regions to bring to life this contemporary challenge.

Outline Syllabus
1) Issues underlying transboundary water resources use 2) The regulatory framework governing transboundary freshwater resources 3) key principles underlying transboundary water resource regulation 4) International freshwater dispute resolution mechanisms

Learning Outcomes	
Outcome Number	Description
01	Demonstrate critical analysis concerning the background and wider contexts, including the broader economic, social and environmental dimensions of governance and regulation of water.
02	Apply the key concepts, principles and law regulating the use, sharing, and management of water resources.
03	Critically apply the principles and law in this field to new cases and situations.
04	Evidence independent research skills in primary and secondary resources, and be able to communicate key learning both orally and in writing.

Learning, Teaching and Assessment Strategy
<p>Students will attend 12 2-hour weekly seminars which will include discussion of the law and its practical application.</p> <p>Assessment will be by coursework only. This will be through a written coursework of 4,000 words or equivalent. This is to help ensure that you are able to apply complex legal reasoning to issues relating to conflict. The coursework will require the use of independent research, critical and analytical skills. You will also be expected to use appropriate legal terminology and written communication. The summative assessment is aimed at testing your ability to meet the learning outcomes of the module.</p>

Mode of Assessment			
Type	Method	Description	Weighting
Summative	Coursework - Written	Essay coursework - 0-4000 words	100%
Formative	Coursework - Written	Critical analysis of a case study 2000 words	N/A

Please note:

This module descriptor has been published in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publication, but minor changes may occur given the interval between publishing and commencement of teaching. Upon commencement of the module, students will receive a handbook with further detail about the module and any changes will be discussed and/or communicated at this point.
