Module Aims
<ol style="list-style-type: none"> 1. Define ideology, politics and social policy; 2. Examine the relationship between ideology, politics and social policy; 3. Analyse the impact of ideology, politics and social policy on social care agencies, service users and practitioners; 4. Evaluate responses to the negative impact of ideology, politics and social policy on the provision of social care in the UK.

Outline Syllabus
Ideology; politics and social policy defined; political parties in Britain; party politics since the advent of the British Welfare State; formulation, implementation and evaluation of social policy; the ideology and politics of social care; the impact of ideology, politics and social policy on social care practice.

Learning Outcomes	
Outcome Number	Description
01	Define ideology, politics and social policy
02	Discern the main political parties in Britain and their ideological foundations
03	Understand the policy making process
04	Distill, demonstrate and critique the positive and negative influence of government policy on the nature and scope of service delivery in social care
05	Develop and present clear, well-informed arguments in writing, drawing upon relevant academic sources.

Learning, Teaching and Assessment Strategy
<p>The module is delivered via some lectures on campus and online. It is designed to accommodate a range of learning styles. Sessions consist of 12, one hour lectures, tutorials and seminars. Lectures provide an overview of the topics for each week (LO2 and LO3). Tutorials offer the opportunity to analyse and discuss readings and learning materials placed, and the results of exercises completed which may be online prior to sessions (LO1 and LO4). Seminars enable participants to give a small group presentation on a designated lecture topic, beginning in week 3 and ending in week 11. These are designed to enable students to develop research, collaboration and presentation skills (LO5).</p> <p>The assessment is comprised of one 3,000 word essay. Formative assessment is provided through tutorials and seminar presentations.</p>

Mode of Assessment			
Type	Method	Description	Weighting
Summative	Coursework	Essay (3000 words)	100%

Please note:

This module descriptor has been published in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publication, but minor changes may occur given the interval between publishing and commencement of teaching. Upon commencement of the module, students will receive a handbook with further detail about the module and any changes will be discussed and/or communicated at this point.
