Module Aims
The aims of the module are to explore British film and television drama as a genre, in order to develop an understanding of its social, cultural and political importance.

Outline Syllabus
British television drama will be explored from a social, political and cultural perspective in order to develop an understanding of the ways in which texts can both reflect and generate 'meanings'. Key texts will be used to illustrate the ways in which drama has responded to contemporaneous social and political issues.

Learning Outcomes
