Module Aims

To develop a comprehensive understanding of fundamental concepts and techniques in financial accounting and financial management.

Outline Syllabus

The environment of accounting and the accountant's role in the organisation. Accounting concepts. Financial statements; income statement; balance sheet; cash flow statement. Interpretation of financial statements; common-size statement analysis; ratio analysis. Sources of finance. Working capital management. Investment appraisal - an introduction.

Learning Outcomes

Outcome Number	Description
O1	Demonstrate a critical understanding of the role and structure of the accounting and control functions within an organisation.
O2	2a Explain the main accounting conventions; 2b Prepare financial statements; 2cAnalyse and interpret financial statements. 2d Critically appraise sources of finance in a firm; 2e Evaluate investment appraisal techniques.
O3	Demonstrate written and oral communication skills, problem solving skills and group working skills.

Learning, Teaching and Assessment Strategy

Learning will be directed, supported and reinforced through a combination of lectures and seminars, as well as through directed and self-directed study. There is a 1-hour lecture each week followed by a 1-hour seminar. Lectures will focus on theoretical aspects and seminars will give an opportunity for students to apply theoretical knowledge to solve and present solutions for numerical exercises.

Mode of Assessment

Type	Method	Description	Weighting
Summative	Examination - Closed Book	Closed book examination (2 hours)	100%
Formative		Formative feedback will be provided throughout the course.	N/A

Please note:
This module descriptor has been published in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publication, but minor changes may occur given the interval between publishing and commencement of teaching. Upon commencement of the module, students will receive a handbook with further detail about the module and any changes will be discussed and/or communicated at this point.
