Module Aims
This module introduces you to the law and legal system in operation in England and Wales.

Outline Syllabus
What is Law? Introduction to Law in England and Wales. Sources of law. Introduction to various fields of Law, including Civil Law and Criminal law. Impact of EU law.

Learning Outcomes

Outcome Number	Description
O1	Describe different approaches to law and the legal system; recognise differences between the civil and criminal law; explain broadly the institutions involved in making and administrating the law.
O2	Carry out legal research using online resources; and use legal terminology appropriately
O3	Present your work to the acceptable academic standard in written form.

Learning, Teaching and Assessment Strategy

Your learning will be directed, supported and reinforced through a combination of lectures, staff-led tutorials and guided private study. You will be directed to appropriate primary and secondary sources and you will be required to perform research and presentation exercises. You will also be set tasks to monitor your progress in addition to formal assessment. All teaching will be supported by information supplied on the virtual learning environment (VLE).

Seen exam, the questions will be released one week before the examination date, 100% weighting, choose any three questions from the list provided. Each answer is up to 1000 words. There is no need to provide a bibliography or reference list.

Mode of Assessment

Type	Method	Description	Weighting
Summative	Examination - Seen Paper	Seen exam	100%
Formative	Examination - Seen Paper	Mock examination	N/A
